

AGRI 1172 HB

Course Policies

This is a hybrid course that is a combination of online content and face to face instruction.

Online assignments will have due dates for submittal. If the assignment is not complete by the due date, the grade will go in as a zero.

Quizzes will have a set time limit and time amount they are available. If the Quizzes are not completed in the time frame set, the grade will be zero.

Attendance to the face to face visits is optional, but extremely encouraged. This is when the student is able to receive hands-on instruction and in-person lecture.

Instructional calendar will be posted to the website and will include due dates and face-to-face visits.

This class is setup to be modular. This means that the modules can be taken and graded individually if needed.

Grading Scale:

SCC Standard Grading Scale Policy

A+	95-100	C+	75-79
A	90-94	C	70-74
B+	85-89	D+	65-69
B	80-84	D	60-64
F	Below 60
