Economic Considerations of Opening a New Extension Mine

Read the articles entitled "Blackhawk Mining Investing in Central Appalachia" and "Blackhawk Mining Buys James River Assets in Bankruptcy Sale.

Write a two page double-spaced paper and identify economic considerations that went into this decision including assumptions you think were made that led to this decision. What assumptions, if they turn out not to be accurate, could affect the profitability of this new mine? Was their decision a good one? Why or why not? Be sure to put your name on your paper. You may get additional information through their website at http://www.blackhawkmining.com/ Submit your assignment through the link in Week 1 Module.
