Development was funded by the Department of Labor (DOL) Trade Adjustment Assistance Community College and Career Training (TAACCCT) Grant No. TC-22525-11-60-A-48; The National Information Security, Geospatial Technologies Consortium (NISGTC) is an entity of Collin College of Texas, Bellevue College of Washington, Bunker Hill Community College of Massachusetts, Del Mar College of Texas, Moraine Valley Community College of Illinois, Rio Salado College of Arizona, and Salt Lake Community College of Utah.

This workforce solution was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties or assurances of any kind, express or implied, with respect to such information, including any information on linked sites, and including, but not limited to accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability or ownership.

# E-commerce Tutorial

This tutorial will show you how to create child pages. Follow the instructions to complete Assignment 9j: E-commerce.

## Getting Started

E-commerce can be a huge undertaking, there are advanced semester-long classes dedicated just to e-commerce. But you have the opportunity to at least take a look at one product and get some experience installing it in your website.

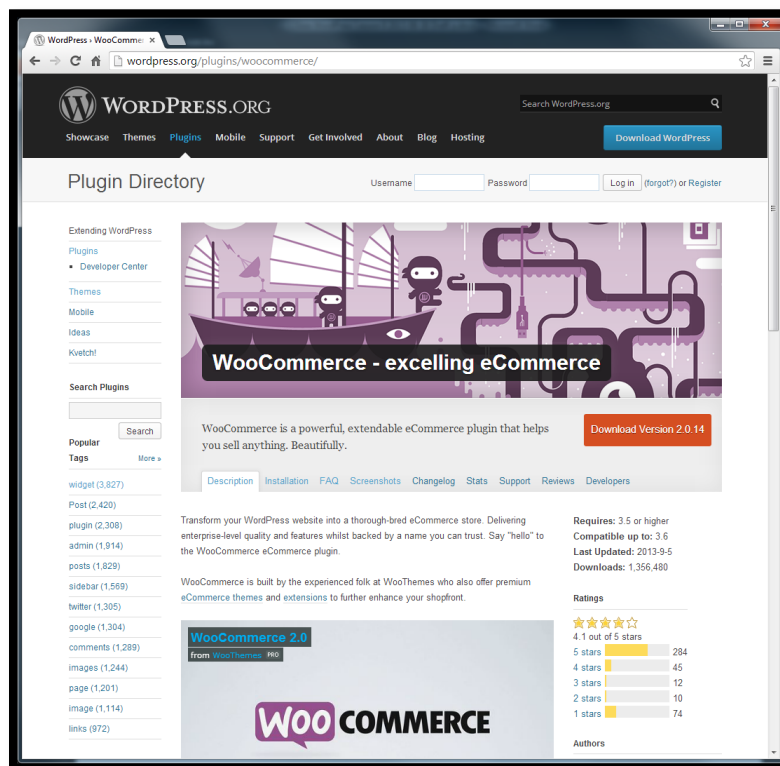

Figure 1 [WordPress](#)

1. Watch the [WooCommerce video](#).
2. Next – install the **WooCommerce Plugin**:
  - Download the software – from the **Plugin Directory**
  - Upload the software – to your website
  - Activate the **Plugin**

4. Finally,

- Click on the **Setting** option of **WooCommerce**
- Take a screen print of your **WooCommerce Settings**

**Turn in:** The screen print of **WooCommerce Settings**.
